BCFHD

BCFHD Vision

Leadership and excellence locally and regionally in humanitarian work in accordance with quality

BCFHD Message

Bena Charity for Human Development BCFHD - Yemen seeks to provide the best humanitarian and development services through distinguished programmes, projects and activities, qualified staff, appropriate infrastructure, and effective partnership to achieve sustainable community development

BCFHD Principles

Humanity, impartiality, independence, transparency and integrity

BCFHD Characteristics

Flexibility, networking and continuity

BCFHD Goals

- 1- Raising the institutional performance of the association and achieving quality standards.
- 2- Contribute to reducing unemployment by developing the capabilities of young people of both sexes, contributing to their economic, social, and legal empowerment, and contributing to caring for poor families.
- 3- Contribute to providing assistance in the various humanitarian fields (health, educational, social, relief...etc).
- 4- Strengthening and activating the role of women and their involvement in the development process in order to give them the opportunity to play an active role in society.
- 5- Contributing to the care of needy and disabled children, integrating them into society, and helping to support their private and public rights.
- 6- Enhancing the positive image of the association in the local community, and raising the degree of beneficiaries' satisfaction with its services.
- 7- Expanding and strengthening partnership and cooperation relations with local, regional and international institutions and supporters, and taking care of volunteers
